RESPONSE TO NOTICE TO FILE MISSING PARTS OF NON-PROVISIONAL APPLICATION  
FILED UNDER 37 CFR 1.53(b)

Sir:

The Notice to File Missing Parts mailed 03/19/2004 states that the signature of Stephen G. Miller is missing from the oath or declaration and must be submitted in order to avoid abandonment. Applicants traverse this requirement.

Stephen G. Miller is not a named inventor on the declaration filed December 12, 2003 in this application. While Stephen G. Miller was named as an inventor in the application data sheet filed December 12, 2003, under 37CFR1.76(d)(3), the oath or declaration filed under 37CFR1.63 or 37CFR1.67 governs inconsistencies with the application data sheet in the naming of inventors. Since the declaration, as filed, does not name Stephen G. Miller as an inventor and since the declaration governs inconsistencies between the declaration and application data sheet, the requirement to add the signature of Stephen G. Miller to the declaration is not appropriate, and no surcharge fee is due.

Pursuant to 37 CFR 1.136(a), Applicants respectfully petition the Assistant Commissioner for an extension of the shortened statutory period for response in the above-identified Application.
